\$4,827.60 2/19/06
\$4,827.60 2/12/06
[\$55,177.20]

Plaintiffs also seek to recover their attorney fees accrued in collecting the debts owed to them and in enforcing the terms of their contracts with Defendant through this action, which currently total \$3,122.78, their costs for service upon Defendant of \$75.00, and their court costs of \$350.00, plus the statutorily allowed amount of six percent interest per

annum on its attorney fees and costs, to begin accruing from the date the Court enters judgment.

Accordingly, plaintiffs Advanced Technology Innovation, Corp. and Precision Resources Company, Inc.'s October 3, 2006 motion for default judgment against defendant Snow Aviation International, Inc. (doc. 10) is GRANTED. Accordingly, having been adjudged to be in default, defendant shall pay damages to plaintiff Advanced Technology Innovation Corp. in the amount of \$96,423.68 plus six percent interest per annum on that amount commencing from the dates that each portion of that amount became due (based on the date of each invoice as listed above) and \$1,773.89 for its one-half share of attorney fees and costs in this action, plus six percent interest per annum on that amount from the date of judgment. Defendant shall pay damages to plaintiff Precision Resources Company, Inc. in the amount of \$55,177.20 plus six percent interest per annum on that amount commencing from the dates that each portion of that amount became due (based on the date of each invoice as listed above) and \$1,773.89 for its one-half share of attorney fees and costs in this action, plus six percent interest per annum on that amount from the date of judgment.
